

*Speed is what defines us.*

The adrenaline starts pumping when you put your foot through the pedal and shift into top gear. It may not be viable to do the same on the road outside, but why limit the desire when the virtual world comes calling? Give birth to the speedster which lay dormant in you and leave your competition abort.

## GAME VERSION

Need For Speed Most Wanted v1.3 English version.

## GENERAL RULES

1st Round will be a time trial where every player will be given 2 laps of Campus Way. Top 32 players (this vary depending upon the number of participants) will be selected from those players. After that it will be a 4 way Sprint and Circuit race. 2 will be selected from 4 players till 8 gets selected from outside. Those 8 outsiders will face 8 from Techno India. The rest of the rounds will be the same. 2 will get selected from 4.

In a nutshell, the 1st round is time trial. The rest of the rounds are 4 way Sprint race, except the semi-finals and the final.

## GAME TYPE

- The first time trial round will be a circuit race, then for the next few rounds there will be sprint racing. The Semi-finals and the Final will be conducted in a circuit race.
- Host, client will be announced before the match or decided by coin toss. (Only for LAN tournament)
- Other controllers: Steering Wheels are allowed. You can bring your own keyboard or controller, but everything should be USB.

**3RD-5TH APRIL**

PS2 s are allowed. We are not going to provide any kind of headphones. Please bring your own headphones.

- At the end of each match, players must maintain the final screens and receive confirmation from a referee.
- Winning a race: The winner in the sprint race have to cross the finish line to complete it. If in a sprint race we are allowing a winner and runner up, and the runner up does not complete it within the 'HURRY 25 SECS', he will be chosen according to his position in the sprint.
- Graphic settings such as motion blur can be set using external utilities.
- In the 1st round during the time trial, everyone will have to use BMW M3 GTR bonus car.
- From the 2nd round onward, the use of a Porsche GT or BMW M3 is not allowed. You can use any other car of your choice.

## CAR SETTINGS

- You can only change the colour if u want. No other visual upgrades are allowed.
- Performance (Pro, Super Pro, and Ultimate) upgrading is allowed, but Junkman is NOT.
- Personal save files are NOT allowed.
- Geekonix provided save file must be used for car setting.
- Tuning of cars is NOT allowed in the qualifier rounds, except for the final, where tuning is allowed. Anyone caught playing with a tuned car, will be disqualified then and there, in the qualifiers.
