

3RD-5TH APRIL

Engineering Student? Love to play Counter Strike? Hesitating to play against the pros of the game?

Well, you just got extra lucky to win the prize. An all exclusive CS league only for engineering college students.

GENERAL RULES

- 5 vs. 5 (Team Play, 5 players per team).
- The first team to win 16 rounds wins the match.
- Extra rounds will be played until the winner is decided.
- Arriving late for a scheduled match may result in a forfeit at the discretion of the Coordinator.
- SteelSeries Kana mice are banned.

ELIGIBILITY CRITERIA

- All the members of the clan must be from the same engineering college.
- One other form of university document is required as an ID (apart from the college ID card).
- The Admins reserve the rights to disqualify participants/teams using unfair means.

RULE CHANGES

The Administrators reserve the right to modify the rules as needed. This includes changes due to software updates or releases, event organizer decisions and all other changes deemed necessary to run a successful tournament. Teams are responsible to check the rules on a regular basis and prior to the event to ensure they are in complete compliance. Teams must understand that rules listed are guidelines to ensure fair and competitive play and are subject to interpretation by the administrators based on the spirit of the game.
