

Explore. Develop. Grow. Emerge.

3RD-5TH APRIL

Imagine a quiz that doesn't require you to come to the venue. You just need an internet connection and lots of perseverance and skill. Just log on to the Edge website, and start playing.

Goodies are to be won.

RULES:

- Individual event
- Topics range from Food Technology, Microbiology, Biochemistry, Quality Control etc.
- Students from any stream can participate
- Will be available from 27th March to 2nd April on www.edg.co.in.
- A particular question has to be answered within a time limit.
